Re: Lehman Brothers – debtor

Dear Judge Chapman,

On August 1, 2013 I sent a letter to the Court objecting to the Lehman Brothers – debtor to reclassifying my claim as being subordinated with copies of supporting documents.

This letter is intended to advise you that I support the motion made by Scayola Malone & Zubatov to compel arbitration and wish to be included in the outcome of this matter.

Thank you for your interest.

Sincerely,

John H. Lang

Honorable James M. Peck
1 Bowling Green
New York, NY 10004

Dear Judge Peck,

This letter with supporting documentary papers is intended to object to the Trustee's claim – re: Lehman Brothers Debtor – to reclassify my claim as being “subordinated.”

Enclosed are the following documents:

- 1 – Shearson Lehman Brothers “ESEP” Election Form
- 2 – Shearson Lehman Brothers ESEP Summary of ESEP alternatives
- 3 – ESEP Deferred Compensation Agreement
- 4 – Lehman Brothers ESEP Statement of Account a/o Dec. 31, 2007

None of these documents absolve Lehman Brothers from their obligation to fulfill payment as the Trustee wishes to do – but rather insure that payments will continue to be made with certain implicit written guarantees.

I wish to thank the Court for their consideration of the information included in this filing and take action to reinstate the validity of my original claim.

Sincerely,

John H. Lang
